# ABOUT THE RIVIERA COLLECTION

A true artisan floor, Riviera features French Oak and Hickory hardwood crafted in varying width planks. These stunning floors are brought to life by mesmerizing color variations– contrasting areas of lights and darks conspiring with the wood’s natural grain to add visual intrigue. To further enhance the visual allure, our craftsmen distress each plank’s surface by employing four distinctive circular and straight sawmark techniques. So while the workmanship is modern and durable, the look resembles the weathered patina of reclaimed wood.
